

Let's look at an overview of the most important events from recent months in our project!

1.

Lesson plans

We developed the lesson plan for museum workers and began to prepare the various lessons

There you will find 10 lessons for employees of cultural vaults to learn some vocabulary in sign language.

In a wonderful city, we discussed the content of the lesson plan to be developed and tried out a preview of the Digital Serious Game

2

Meeting

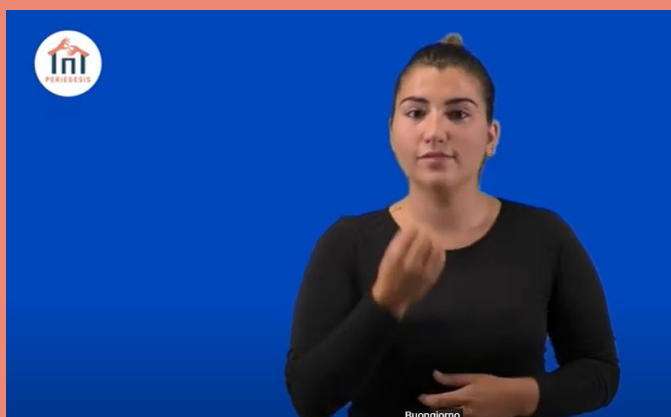

This time we visited Athens to discuss the next step - the lesson plans and the videos created.

The videos in sign language are available on the YouTube channel of the Periegesis project!

3.

Movies

What awaits us in the coming months?

- 1 Partners will have the opportunity to have another live meeting, this time in France.
- 2 We will have our training based on the lesson plan.
- 3 We have shared our Digital Serious Game.
- ... and many other exciting events!
