THE WEBSITE OF PERIEGESIS IS UP AND RUNNING

Check out the website of PERIEGESIS here:
<https://periegesis.eu/>

The website was created with accordance to the following pillars:

- be user friendly
- be available in all partners' languages (Polish, Greek, Italian, French) and English, while there are videos in International Signs, too
- respect of EU policies
- have relevant images to all chapters

In the website you'll find information about:

- the aspirations, objectives and aims of the project
- the partners
- how to contact us
- our news and, of course
- the project's Intellectual Outputs

In our website you can currently find our 1st Intellectual Output in all partners' languages. We're proud to present you...

DESK RESEARCH AND FIELDWORK, PERIEGESIS COMPENDIUM

LEARN MORE ABOUT...

- The major characteristics of 56 cultural vaults in France, Italy, Greece, Cyprus and Poland
- The perspectives of Deaf and/or Hard of Hearing People from the 5 countries on accessibility in museums and galleries
- Their prior experiences and
- Their suggestions for improvements

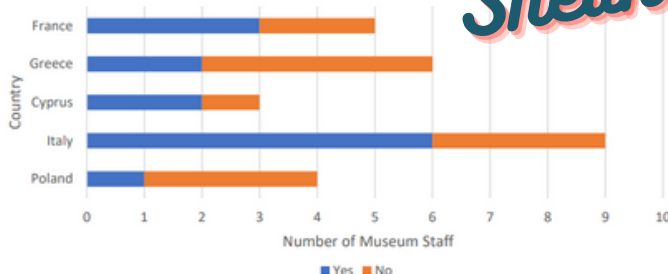

THE FIELDWORK LEAD TO REVEALING OF:

- Museums' personnel knowledge from the 5 countries in relation to accessibility issues
- Their needs for education on inclusion
- Their currently offered facilities
- Their participation in other educational or/and projects on inclusion
- Their willingness to participate actively in PERIEGESIS

Project Number: 2020-1-FR01-KA227-ADU-095076

Additionally, it was considered as important for our partnership to know if the vaults are participating in another scheme towards inclusion. This would imply their willingness.
